

treatment team 3 different door numbers to my entrance door, which where all wrong.

Not one person new who was had made the 999 call to the police

The Home treatment team told the police to leave.

On this day I was fine until the police turned up at my flat once again. I was not shouting or upset, so do not really believe someone called the police, worried about me or if they did they were setting me up for what I do not know.

Due to how the police are with me I do get upset and will not open the door so some times shout to the police through the door as I feel safer, I know the police do not leave me alone, so why would I open my door when I am on my own, I always feel safer waiting until someone I have contacted gets to my flat so they can see what is going on.

Home treatment team told my mother I seemed to upset for them to talk to and she told them it is no wonder the police are going to his flat all the time when he has done nothing wrong.
