

human right outdoors yer our freedom of speech are limited but in our own homes there protected and you must under stand that any place of residence were is section or any forth, it is classed as the same and should be treated as a home.

**Police Officer;**

**Simon;** and the only laws under the licensing act to make entertainment illegal is if in a private home or in a private back garden is if profit has been made with the intentions of making profit under apendex four of that act and no body has talked in the application about profit to even make it illegal but they have claimed it to be illegal and also the fact that section 63 is only for outdoor event's unless trespass has taken place because of our human rights and because this is our place of privacy, in them breaching them rules there they have breached have the rights to my hire of provision to any other house party, because I have been told and I have got the transcripts saying that if I hire my sound equipment out to any person or any other person that I must have permission of the local council. I am then asking the local council by saying that I want to hire out my to my friend's.

**Police Officer;** Mr Cordell sorry to cut you of but to save you time here because I am not going to make a comment here on any think that you are saying because you have logged a complaint here in this court case

**Police Officer;** in simply terms what is your complaint against the borough commander as if in to say the x borough commander Jane Johnson.

**Simon;** well at the time she was responsible for Steve Elemore and she was responsible for Steve Elsmore conduct and I have proved beyond reasonable dought that Steve Elemore and other officer's while under her conduct, command was of foul play and manufactured evidence and I have gave them another time.

**Police Officer;** right.

**Simon;**

**Police Officer;** is their any direct involvement because overtly as you can appreciate the officer of command is in charge of staff of up to 400 to 500 people and overtly she is not going to know every intermit detail of every little thing going on in the borough so as if in to say you Asbo

**Simon;** I can come and met you right now and I can hand you a copy of the Article six that is sitting in the court files twice with all of the information, Steve Elesmore has been sent of again now in the judge realising.

**Police Officer;** is there any think that you are saying that she has done that you are saying the borough commander has had any involvement in it what so ever.
