1. I understand that the correct protocols for the offences I am being accused of should be carried out in a manner to be of a high professional standard as required by law, so for me to be able to defended myself.

. 2. I am therefore not happy with the issues of police corruption not being addressed, by you self and all other legal persons, as I know I can not stand a fair trial or appeal without them issues being rectified first and this is why the amendments have been made to your letter to Sally Guill Hurst.

. 3. I have suffered since 2014 for conditions that have been wrongfully imposed upon me and still awaiting an appeal.

1.1 As my acting solicitor 8/6/2017 You drafted a letter requesting the respondent to remove any CADS that have been placed in the Asbo bundle served to myself.

Mr Simon Cordell.

1.1.1 I understand that they cads are all ready inputted incorrectly and you and the barrister take note of this, as do, we all achieve this in the understanding that I could not have and did not commit the alleged offices that I have been accused of that are contained with a vast majority of other CADS within incorrect and blocked out context; such as the Att Locations that are un- redacted and do state Crown road and other locations such as Hardy Way, on the same day as progress way so I could not have committed as I could not be in two places at once.

1.1.2 There is a further issue in relation to a significant amount of Cads that should contain the Att Locations that have been blocked out such as referred to as retracted and them CADS that also contain the Grid reference numbers that also prove other locations already.

1.1.3 However I am even further worried about CADS such as all the listed and any in the format such as fully retracted where know person can, or is able to see the true CAD intelligence in regards to the wrongful fabricated claims being held against my person, being so reviled for all to see.

1.1.4 I do believe when all CADS do get retracted and a blocked, then that will help any barrister and put them in a better position to defend me, so for all Cads and pages in his Asbo application being served in an unedited
