

Condition 88. You must not erect a greenhouse, garage, car port, shed, garden pond or summer house at your home without getting our prior written permission. You will be responsible for maintaining any structures that you erect. You will be responsible for obtaining any necessary Planning or Building Control permissions.

Condition 89. You must not attach to any part of your property, including to external walls, fences or other structures, any barbed wire, broken glass or other material which is likely to cause personal injury to anyone.

If we decide that tree management works are required to any tree in your garden, subject to any Tree Preservation Orders, we will advise you of what you must do. If you fail to comply with our request, we will carry out any necessary works and recharge you for the cost.

2.17 Vehicles and parking

Condition 90. You must not park any vehicle that is untaxed or is unroadworthy on any part of your estate or housing land.

We do not accept liability for any vehicle, fittings/components, or any contents of any vehicle parked on the estate.

We may remove and destroy any illegally parked, abandoned, dangerous or unroadworthy vehicle and charge the owner for our costs. This also applies to any vehicle not displaying a valid tax disc or a valid parking permit where one is needed.

Condition 91. You must not park caravans, boats, trailers, burger vans, or vehicles used for business purposes on the estate or road next to your house without our written permission.

Condition 92. You must park legally and considerately and make sure that you do not cause any obstruction or nuisance or annoyance. This includes obstructing access for emergency vehicles, access to garages, refuse stores and grounds maintenance access points.

We will not be responsible for damage to your vehicle if we or the emergency services have to remove it.

Condition 93. You must not carry out repairs, other than minor routine servicing, to your vehicle on the estate or on any roads in the locality.

Condition 94. You must not leave a vehicle in a state of disrepair, or any parts of vehicles on the estate or on any roads in the locality.

Condition 95. You must not park SORN (Statutory Off Road Notification) vehicles on our land, including blocks/estate land, other than in your own drive/garden (in the case of a house). You can only keep SORN vehicles in your private garden/drive with prior written agreement from us for no longer than 12 months. We reserve the right to remove vehicles after 12 months after giving you 28 days written notice.

Condition 96. You must not build a garage, hard-standing or driveway without obtaining our prior written permission. You will also need Planning permission, Building Control approval and /or Highways approval. If you wish to install a dropped kerb, you must contact the Highways Department to obtain the relevant permission.

Condition 97. You must not park or permit visitors to park or drive on common grassed areas, verges (hard standing or grassed) or pavements outside or leading to your home. We reserve the right to recharge for costs arising from repair of any damage caused.

Condition 98. You must not use any communal land for the purpose of buying or selling vehicles, or repairing vehicles as part of a business enterprise.

Condition 99. You must not keep mopeds or motorbikes inside your home, in internal or external sheds, or in indoor communal areas, for example, landings, stairs, entrance and any internal area used by tenants.

This could put others at risk and any such vehicle found in internal communal areas will be removed.
