

I went the next day and asked to speak to the manger of the compound who in fact looked up my van and said nothing was in there, there was not tools I called Kelly Tiller and the manager of the compound spoke to her and confirmed there was nothing in the van when it was taken there by police and that I had put thing in the van when I had taken it out of the compound.

At this point Kelly tiller believed me and said the policy would not be cancelled. But on my way back from the compound driving my phone ring and I stopped to pick it up and it was Broadsure direct saying my policy had in fact been cancelled I was very upset at this and told them what had happened, I was asked to hold on they was called KGM back and would call me right back. I waited till Broadsure direct called me back and confirmed my insurance policy had not been cancelled then drove home.

From this point I have been asking for all information and putting data protection acts in which have not been dealt with and I have heard nothing from KGM.

I have been back and forward to court due to no insurance and in fact 4 cases I did not get any summons so was in fact found guilty as I did not know it was even going to court.

I have had points put on my driving licence for no reason and had to go back and forward to court many times when this should not have been the case.

Then the case come up for the seizer when the police said I had tools in my van I went to court with all my documents but due to not having the information I had asked for from KGM many times about that case I was found guilty. I am very upset about the whole policy with KGM. I have put an appeal in and this case will be going to crown court I have again asked for information and again heard nothing. These matters need to be addressed as I am suffering due to all of this.

Martin Jenkins at Broadsure Direct knows everything that has gone on as he was my main contact.

I also have all the emails the last one that I will enclose again, which I have heard nothing about and the 1<sup>st</sup> Subject access request under the Data Protection Act 1998 that I sent on the 26/11/2013. I did in fact send the Subject access request under the Data Protection Act 1998 about time times and asked Martin Jenkins to look into why I had heard nothing about more then once.

Once I get the appeal date for crown court I will ask the court to summons the people at KGM to deal with this matter as they know I was insurance and did nothing wrong and the police lied. All I have asked for is the data so there will be no need to summons people this way I can send the section 9 witness statements over to the crown and the other information and this case should be dropped against me.

It just seemed that KGM does not want to do anything and give me the information I need to prove in fact I was insurance and the police lied to KGM to in fact make it that I was not insurance.

There is a lot more I could say about the insurance I had with KGM but this insurance policy was my worse nightmare. It has messed my clean driving licence up and in fact got to the point I could not drive so could not work. Due to the fact, KGM could not send me the information over that was needed to prove I did have insurance.

If you need o can send over all the emails that has been sent back and forward to Broadsure who sent them to KGM.

I have lost a lot of money, and time due to this insurance policy I have had to pay for my vehicles to be taken out of the police compound around 8 to 9 times at a cost of £180.00 to £200.00 a time. All the lost of work due to having to take time to go to the police compound, and all the times I have had to go to court for no insurance when in fact I had insurance. And points put on my driving licence to the fact I could not drive, this has all been costs to myself.

My Mother Lorraine Cordell has also written many of the emails and is fine with dealing with this issue.
