OK thank you, but i feel as if you have yet to answer my questions, is there a trial version available to the general public so that any person can test the software before purchasing it and is there a discount for the use of ps10 for educational purposes.

Thanks

Mr Simon Cordell

Dear Simon

I will put you in touch with a reseller of our software. Jan Edgecombe sells P10 and can provide you with a quote for a product best suited to your needs.

Best regards
Stephanie

Dear Stephanie

I am grateful for your offer in relation towards the courses that Colgate supply i am how ever reluctant and have to decline. I have however spent much time in studying the management and development of icc profiles and the nesting of images and no i have learnt a fair understanding so to understand what i need to no "to get around" and therefore believe with the support available that is online that i will be able to achieve the basics i need within in using Colgate software's, so to manage my goals set, this is to say that one day i may take one of the courses available if i find any hardship. please if possible can you answer my last questions emailed to yourself s in the past email.

Kind regards
Mr Simon Cordell
