Dear Ned Johnson

I am writing this email due to a FOI request I put in some time ago.

It has come to my attention that some of the information you have given me in incorrect and was wondering if you could comment on this.

In my FOI request you said that Crown Road information started on the 18/5/2014, but I have found news paper information that this started much earlier then this.

I have a news paper that is dated the 25/04/2014 which was printed after a 15 hour rave took place there on the 19/04/2014, which is much earlier then the 18/05/2014 as the date you gave me that this started.

And one that was in printed on 9 September 2014 a paper saying The MAN building, in Crown Road, on the junction with Southbury Road, Enfield, has also been used for illegal raves and parties in the last few months which these words would say the events was going on much later then June 2014 that you have given in the FOI request.

I still also can not understand why an abatement notice order was not put in place due to the amount of events that took place there. I do understand on the days of the events it could be classed as unsafe due to the amount of people, but this site was being squatted and there would have been far less people there during the weeks when these events were not going on. And can not understand why an abatement notice order was not put in place during the time when these events were not going on.

On the 6th 07th and 08th June 2014 the council were aware an event was ongoing at Crown Road.

On the 6th 07th and 08th June 2014 the council were aware an event was ongoing at Progress way.

On the 08th June the council attended with police to Progress Way to serve paper work this was not served to any persons within the site of Progress Way.

But if you were with police, which your team was why was paper work not tried to be served at Crown Road site also as your team was aware off an event also going on there.

Regards

Lorraine Cordell
