

Homes with gardens/safe play areas

Homes with gardens or safe play areas will be prioritised wherever possible for applicants who have received a recommendation for this facility from a medical Assessment Officer or Occupational Therapy Team.

Ground floor flats

Ground floor flats with level access will be prioritised for applicants who have been awarded priority on health and welfare grounds as needing these homes unless there are no applicants waiting for this type of home.

Level access (wheelchair), mobility and adapted homes

These types of homes are defined as:

- Level access homes designed for people confined to wheelchairs, and include space for a wheelchair
- Homes with no extra space which are accessible for people with mobility issues.

Level access homes will be prioritised for applicants who have had a health and well-being assessment that resulted in a recommendation for this type of home.

Mobility- and wheelchair-adapted homes will be prioritised for applicants who have undergone a health and well-being assessment that resulted in a recommendation for one or both of these types of home.
