

Dear Sarah, Thank you for your email and updated information.

This incident yesterday, I am assuming that this is a different incident from 15/1/16 where Mr Cordell approached Ms De Polla?

Please can you confirm if this was reported to the police, and if this was not why?

This is harassment and can be treated and reported as a criminal offence.

Yes this is a separate incident to 15/01/2016.

The police were not called as a crime had not been committed and Barbara was able to walk away without Mr Cordell trying to prevent her or following her.

In relation to Deborah please can you confirm if your concerns for her welfare are being reported back to the mental health team prior to this email (I do appreciate that Bola has been on leave for a few weeks) Yvonne has copied Bola into the same communication as yourself and expressed concerns?

Debbie has also contacted Bola.

I am receiving if not daily calls from Deborah or every other day, with her explaining to me that she feels she is not coping at all; she is looking to me for reassurance.

Deborah has expressed that she is not managing independent living and would like to go back into supported accommodation.

Supported living is something Bola would need to arrange.

Can you confirm that you have reported your concerns for Debbie's welfare to the mental health team?

Please can you confirm if she has expressed this to staff at St John of God?

Also please can you confirm if you feel that Deborah is not coping at present?

If so has this been reported to the mental health team?

As you are aware, Debbie has said that she is not coping and I understand that you are in the process of providing a report in order to facilitate Debbie's move.

Can you confirm that this has been completed and if so, what the next step of the process is and how long this is likely to take?

Also given the current hours that are currently allocated to Deborah if this is suitable in this situation for her need?

If I recall this was expressed at a SOVA meeting that this should be extended as her needs are becoming greater?
