Simon: I can not go MC Donald's or any think. "Muttering"

Simon: If I go into any night club I need permission any night club if I walk into a house party and you got more 20 people in your house I can go to prison the problem is normal you have got private air and public air I got freedom of speech in this house this is my private air and that Is what I believe this is our human right and what crated our statues of liberty's as human beings, now what they have done because the buildings are in side there treated as people private homes and that Is their way of living so now what they have done is breach all my human rights and all the rules and regulations and say that private air and public air are the same and that is what they have do to give me this application.

Simon: Now what the judge has written is she has write I am not allowed to have no private birthday party's in this house today if I give you an amp and you take an amp to your house if you have 20 people listening to music on that amp in your house then I can go to prison I full fit for your actions

Mother: It's absolutely wrong and there is an appeal, but the appeal taking
