The word rave clearly state the key element such as in open air must be present and when in private air trespass must be present.
So what law have I broken to make the case law abiding under reasonable dought if I am not being accused of making profit it is not illegal to organize a private house party for any British citizen, as long as you have respect for the residence living in around the local area?

Thanks Simon Cordell

In regards to the statement off; “These primarily take place on disused or industrial land in London and cause alarm and distress to the local residents.”
All locations are a place of fixed a bow and residence.
In reference to “These raves are licensing activity, cause significant noise pollution and directly lead to destruction of property and breaches of peace.
No home is licensable, unless a breach of the 2003 licensing act has been made, to which contained within the applicants bundle their ins none.
I have a bundle of the laws that are relevant to my case that should be in my defense bundle, please will you help me go over them.
I would like to start trading my company as I have explained to you for months and keep asking you to take the case back to court to get my bail conditions defined, to which you have not to date even low Andy Lock states that I am right in my points of law and how it leaves me in a state of utter confusion to what I am aloud to do or not as the applicants case is based on illegal raves their for banning me from what is lawfully legal.
I can not think of any jobs the conditions will not have an effect of that my professions are in, I can no t be a delivery driver, as most company deliver to industrial estates, I can not deliver parcels or goods to any person living under a section 144, this is not correct in law.
I am very concerned as the applicant’s case is for an Asbo in it civil manner, and the case is based on illegal activities, to which I have never had the right to defended my innocents in.
An ASBO on convection is when a person has committed criminal activities and has been found guilty and there is such a need to apply for a court to sit in its civil capacity to obtain such an order against any person, straight or therefore after.
I have a stand alone Asbo which should be on the 3rd strike of a smaller criminal conviction, to which I have never been arrested for illegal raves is and in being granted is a breach of my human rights, a stand alone ASBO put against my self with no criminal conviction is wrong in practice of law.
