

within the constraints of the law that they represent
Police Officer; I mean who ever is the officer dealing with it I
offersley get in contact with there line manage if you want me to do
that well at the end of the day we are subject to the crown
prosecution services and what they decide but if you want me to cross
this across the officer line manager then we can do that
Simon; well who would the line manager be for a Pc Steve Elsmore
and a Jane Johnson herself?

Simon; because Jane Jonson's signature is on it and so is Steve
Elermore's as well as many other officers signatures are on it
Police Officer; right, so Steve Elsmore, is one of them with a
signature on there?

Simon; well yes he is the developer of the application Jane Johnson
instructed him to make an application and I was not even arrested
for that and it states illegal

Police Officer; lets just start with this is Steve Elermore hum an
Edmonton officer?

Simon; yes and he is the developer of the application

Simon; it is his logging on every page when he has been logging into
the police nation computer and been manufacturing the evidence

Simon; the time stamps are wrong and I have spoken to so many
people and they have said that it is impossible for the time stamps to
go backwards on cads, like you can not have one cad at cad number
500, every hour the call centre would most probably get over three
hundred phone calls and that would work out to like one hundred
and 50 calls for like every twenty minuets so you would no that if you
have got a time stamp of 500 for instance if it is one hundred calls
latter you should no that it should be at lest twenty minutes after and
not go backwards in time and that is what continually happens
thought all of the cads they go backward sin time to each one

Police Officer; right, Steve Elermore's line manager is a person
called Alan Steff

Simon; Alan Steff

Police Officer; yes

Simon; and who is Jane Johnsons line manager and can you tell me
what department Jane Johnson has been transferred to please

Police Officer; I can tell you what she has listed her self as in reality
she can be lots of different things

Police Officer; sorry what was that a Jane Johnson
