

sergeants from ccc bow

**Police Officer;** yes, yes you might call up a few times

**Simon;** cc bow is basically said to me they have been one of the main officers in cc bow and that in all of there life that of them working there I have got it all on recording she has never seen the time stamps go backwards on the cads she said that this is clear corruption and this was months ago

**Police Officer;** what do you mean that the time stamps go backwards

**Simon;** basically I got given an Asbo yes and on the Asbo in the Asbo paper there's say 50 cads in there yes and them 50 cad every day cad number 500 happens now I wrote to storm and Met ccc and I have been told that it is fraud

**Police Officer;** you are talking about things that I do not have a clue about yes so I a m not the right person to see to give you the advice on that

**Simon;** but you are dealing with a cad system right this second

**Police Officer;** yes

**Simon;** right now as I call you

**Police Officer;** you are talking about cads being amended as far as I am concerned cads once they have been "mutter" the time frames can not be changed on the cad because it does not give us an opportunity

**Simon;** yes

**Police Officer;**

**Simon;** but what I am saying is that some one fraudulently, they gone and made the paper work out of the computers because basically I have got cad say cad

**Police Officer;** if you are saying that then someone has got to investigate that and it will be as I said it will be the bloke at the professional standards department

**Simon;** what is even wore than that is say like if you the cads say if you look at all of the cads a lot of they information like the call recorder is blocked out the call location everything is blocked out yes adapted now they forgot to take the x to y locations out yes so now when I put them into Google it shows it shows like five six miles away it show the other side of this place the other and they covered it all other and forged it to be that

**Police Officer;** sir I have got to stop you there sir I have got to stop you there I appreciate you have got all of this information and I can not assisted you with that but I am telling you that I am going to email the professional standards
