

Josey, we don't have a problem with you at all.
The problem we had was no one was able to deal with anything while you were away and that should not be the case the office should be able to deal with things if you are not around.

Lorraine.

Subject: Regina v. Simon Cordell for plea and case management hearing on 4th September 2013 at Woolwich Crown Court:--

Dear Lorraine / Simon

Thank you for your telephone call today.

I am copying Michael Carroll into this email as he is now overseeing and monitoring all the work that I undertake in this case to ensure that I am preparing your case properly and to your satisfaction and complying with your instructions.

I set out below the main content of our conversation but if I have left anything out please come back to me as soon as possible.

INSTRUCTIONS: Simon you confirmed that your benefits had been suspended and you did not have the funds to attend the police station every day.

You stated that Edmonton Police Station is a 2 mile walk from where you currently live.

You have asked me to make an application to remove this bail condition.

Secondly, you have asked that your curfew be suspended for an upcoming festival in Enfield.

Thirdly, you have asked me to consider the merits of making an application to dismiss the charges against you based on the fact that you entered a building that was being squatted in and therefore you were not a trespasser.
