

This made me and my friend scared, and could not understand how someone had got my number and called and wanted the main door code.

I called my mother who told me and Josh to come to her house, my mother had been cooking something to eat so I turned everything off and left my flat with Josh.

We walked along Green Street, towards Brimsdown train station going towards the river lee.

I had called my sister and she agreed to pick us up in a cab at Ponders End train station as it was raining very badly.

As we was walking the police pulled us over they said they were the police care team and asked us what we were doing, I told the police what had happened about the call and was told it was them that had called me for the door code.

They said that they had been at my flat early and could not get in, so had gone back to the police station to get my number to call me to get my door code.

I asked why they wanted my door code and why they wanted to see me, they would not tell me.

We both got searched by the police and then let go, me and my friend Josh was not under the influence of drugs, and the police never found anything on us when they searched us both. They asked Josh why a boy from East London was in North London and he told them to see his friend.

I called my mother again and was really upset as the police was not leaving me alone, I had done nothing wrong and never went out of my flat any more, but the police kept coming to my flat when they wanted.

When we got to Ponders End my sister was waiting in a cab, which we got into and went to my mother's home, my sister then left in the cab to go home.

My mother was really upset and made a call to the police at 02:04 to find out what was going on and why the police kept turning up at my flat CAD 1129:23/11/2014.

She was told that I called the police, she asked me and Josh if we had called the police which me and Josh replied no to, I told her I had only called the police after the police had called me. She carried on talking to the police on the phone.

Calls that were made on the 23/11/2014 by my mother to police due to what happened on the 23/11/2014.

02:04 lasted 12:00

13:57 lasted 07:00

14:52 lasted 04:00

On Friday 19<sup>th</sup> September 2014 at approximately 14:15 AT Kemp Hall

**I Simon Cordell State;**

This date Friday 19<sup>th</sup> September 2014, I was at Kemp Hall with Luvinia De-Terville we were due to have a meeting with Diana hall manager in regards to the higher of the hall for the charity Bliss.

Yes I agree the police did come to Kemp Hall while I and Luvinia De-Terville were there in the meeting with Diana hall manager about hiring the hall for the bliss charity.

I did speak to them as they spoke to me; I told them why we were there about hiring the hall for the bliss charity the police could also see we were in a meeting. They seemed interested about the charity, and I went on to say about my goals for my company and showed the police a project I was working on, on my laptop, the police did ask some things which I told them.

I do not see how the police was utterly bemused I was not the only person who was talking and mostly it was the manageress talking to the police, as the police was there to speak to her and our meeting had run over and we were waiting for the police to leave to carry on talking to the hall manageress.
