"Mr Simon Cordell will state that he was attending an occupied building that was being lived in under section 144 LASPO around the time of the 8th June 2014 as a visitor. And not on the 7th June 2014. His intentions were to drop keys to a friend which had been left at his flat.

When he approached progress way a man he now no to be a police officer from the statements provided, approached him while he was walking down a public foot path leading to the occupied building. It is also noted that in A/Insp Hamill 201566 statement that he did not note that a copy of the paper work had not been handed to anyone. Which Mr Simon Cordell will state that he is sure he would have noted in his statement. As from his statement he was the main person dealing with this matter.

A/PS Charles Miles 724YE " states that he returned to the venue approximately two hours later, he again asked to speak with the organiser however none came forward, he asked the two men on the door, who appeared to be party goers to let him in to have a look around. He walked around and there was extremely loud drum and bass music playing, with approximately 100 people dancing. Party goers observed him in Police uniform and ran away into the large open area, presumably because of drug misuse matters - there was significant evidence to suggest illegal drugs were being used such as discarded self seal bags, and empty canisters consistent with 'laughing gas' use."

A/Insp Hamill 201566 "As officers where not permitted access into the venue it is unknown to the extent of drug and alcohol abuse which may or may not have taken place within."

A/PS CHARLES MILES 724YE "At approximately 06:30Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service."

A/Insp Hamill 201566 "At 05:04hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of WoodGrange Avenue, where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down."

"Mr Simon Cordell will state that it was only ever noted by PS 92YE that 1 male was seen on the roof, but if the call came 05:04hrs CAD 2290 how is it his statement it says a call came in at 06:30Hrs this is 1 hour and 26 mins after the first call was made and A/Insp Hamill 201566 had sent officers to the location.
