

His intentions were to drop keys to a friend which had been left at his flat.

When Mr Cordell approached progress way a man he now knows to be a police officer from the statements provided, approached him while he was walking down a foot path leading to the occupied building. Mr Simon Cordell will state that he was accused of being an organizer to which he gave no reply and decided at this point to cross the road and call his friend to come out side to give him his keys back, to which he had, came to visit.

Mr Simon Cordell will state; that he then left and headed home and at no point did he except any paper work of any person(s) nor did he give his name or personal details to any body for his personal details to be on any official headed piece of paper, to which in the statement he is being accused of being presented to him.

It is also noted that in A/Insp Hamill 201566 statement that he did not note that a copy of the paper work had not been handed to anyone. Which Mr Simon Cordell will state that he is sure he would have noted in his statement. As from his statement he was the main person dealing with this matter.

Mr Simon Cordell will state; that he would like to ask for any noise abatement order made on the 6th 7th 8th June 2014."

It is also noted that police statement were written on the 02/08/2014, 26 days after therefore Mr Simon Cordell is asking for a copy of the 101 book.

A/PS Charles Miles 724YE states; " that he returned to the venue approximately two hours later, he again asked to speak with the organiser however none came forward, he asked the two men on the door, who appeared to be party goers to let him in to have a look around. He walked around and there was extremely loud drum and bass music playing, with approximately 100 people dancing. Party goers observed him in Police uniform and ran away into the large open area, presumably because of drug misuse matters - there was significant evidence to suggest illegal drugs were being used such as discarded self seal bags, and empty canisters consistent with 'laughing gas' use."

A/Insp Hamill 201566 states; "As officers where not permitted access into the venue it is unknown to the extent of drug and alcohol abuse which may or may not have taken place within."

A/PS CHARLES MILES 724YE states; "At approximately 06:30Hrs we received a call to nearby Woodgrange Gardens, to reports of a male assaulted. Following an initial investigation this individual matched the description of a male earlier observed on the warehouse roof. It appeared that he had fallen off of the roof and into some bushes and his injuries were consistent with a fall from height. He was heavily under the influence of alcohol and quite probably illegal drugs. He went to North Middlesex Hospital with the London Ambulance Service."

A/Insp Hamill 201566 states; "At 05:04hrs CAD 2290 8th June police were called to a male assaulted in the street. Officers and LAS have attended the location of WoodGrange Avenue, where the male had injuries of suspected broken wrists and a bloody mouth, he initially stated that he had been attacked from behind but on investigation it transpired that this male had been one of the people seen on the roof earlier and had fallen whilst getting down."

"Mr Simon Cordell will state; That it was only ever noted by PS 92YE that 1 male was seen on the roof, but if the call came 05:04hrs CAD 2290 how is it his statement it says a call came in at 06:30Hrs this is 1 hour and 26 mins after the first call was made and A/Insp Hamill 201566 had sent officers to the location.

Mr Simon Cordell will state; That he did notice when approaching the building a Section 144 Laspo notice was in place, in turn meaning occupiers were occupying the free hold of the land sleeping in the commercial building and treating it as their home. Mr Simon Cordell will state No body could have spoken to him or his brother Tyrone Benjamin, or see Tyrone as his brother Tyrone Benjamin was involved in an ATR involving, a vehicle LRO9BMV he was knocked of his moped on the 10th April 2014 the injuries his brother occurred has changed his life for ever. On the 07/06/2014 Mr Simon Cordell's brother Tyrone Benjamin could not walk, he was Air lifted to The Royal London Hospital. Mr Simon Cordell will disagree strongly that his brother was at this event dated 06th 07th 08th June 2014 or in any case that is in question presented within this ASBO application, nor did he attend. Mr Simon Cordell will state that he arrived at progress way about 01:45am on the 8th but on his own and on arrival police spoke to him out side the front gates and he then left and went home.

Mr Simon Cordell will state; That allegations of misleading information is being held under his and his brothers name on the police national Computer, and he has been trying to get this rectified, He has provided his brothers medical notes as proof of this as well as stated many other facts and provided a copy of the Police National Computer and the errors that have tarnished his life agreed by the courts. He would also like to make it noted that the police already have on there system the people they were prettying while he was on curfew for some of the cases within this ASBO application and that the police had contacted other people leading up to dates of the incident numbers but not Mr Simon Cordell in relation to illegal raves. The public order team has confirmed on the phone to his mother and Essex police have too. It has taken months to gather this information relating to the dates within this ASBO application so that Mr Simon Cordell can clear his name.
