

Simon; well basically my name is a Mr Simon Cordell and who am I speaking to

Police Officer; pc Williams

Simon; PC Williams how are you doing basically I phoned up yesterday and I tried to speak to a lady and I put I asked for a cad number in regards to having a investigation put in against police officers I basically I quite up set with what has been going on I have been held hostage in my house because the police trued to set me up a PC Steve Elermore under a Jane Johnson who is a superintendent and there is a couple of others I have there pictures here and the rest of it there is a duglous Skinner and you had a sergeant Chile's Miles now they throw an Asbo application out side of my front door this was for they applicant case or the respondent case basically was for the organisation of illegal raves it clearly states that they are illegal I was never arrested for something that is illegal it got taken to court under civil proceedings under a stand alone Asbo and basically a stand alone Asbo is for civil proceedings now basically it has different rules to here say

Police Officer; did you say your name was Simon

Simon; yes that is correct that is a Mr Simon Cordell

Police Officer; Simon just, hurrah, fuck

Simon; to cut a nut shell to cut it in a nut shell

Police Officer; I need you to be a bit more process

Simon; to cut it in a nut shell I basically put loads of cads in regards to like when I got the folder I noticed loads of corruption within the folder and it is not silly corruption its serious corruption and it is holding me hostage in my house I have been given eight years

Police Officer; how can, what is holding you hostage in your house

Simon; all right basically this is what happened in say for instance in America you have freedom of speech when you go outside when you walk outside of your house in this country are human rights are very different we only we have you can cause a public offence in the public if you do something like that yes but in our own home we have the maximum extent to our own ability if we swear in our own home we are a loud to do that and we can ask a police office to leave for instance, with the raves bill this is a very slimier thing the raves bill 1994 that was put against me in side your own home or inside a place of residence trespass must be proven yes now or a commercial business must be proven to make it so that the raves bill can take place inside of somebody's house or place of residence now this was never proved on none of the accounts that I was accused of basically what I have got I
