[SEC=PROTECT]

Hi Dolly, I and Nick attended 113 a while ago and spoke to the lady a while ago when she originally called Police.

At the time she didn't want us to speak to her neighbour as things had got better.

The lady handed us a letter about what had happened but none of it made any sense. We believe she was suffering from mental health issues.

On another occasion we popped round to see her and she wouldn't come and speak to us so instead she spoke through her letterbox to us.

The male at 109 - Simon Cordell who is causing the problems is very well known to Police and is also very anti Police.

I know some Officers went round and spoke to him and things seemed to get better. After that we have had no further calls from the lady at 118. We will try and get round to see her when were back on duty on Monday. Kind

Regards
