

of the new up and coming Appeal hearing, as for sure my case would have already been rectified I also believe I would not be feeling deprived of justice and not with an even further risk of a further date than the new set appeal date of September 2016.

I do believe you understand from the barrister submissions, which were sent after the hearing at Wood Green Crown Court to Michael carols office, this is also to be inclusive of all the emails that I and my mother have previously sent to Miss Josephine Ward in regards to my case, that being said in reference to myself handing to the judge on two different occasions, a copy of an article six containing evidence of police corruption in the development of the application you represent towards myself.

The issues listed and many other concerns previously listed have now piled up that must be addressed for myself to stand a fair and speedy trial, this work has then been added to the appeal costs and I feel that this has caused the cost to go up due to no fault of my own as I was never found guilty and the conditions were imposed wrongfully.

As if surely my concerns were managed before the start of the trial, when I and my mother were asked over and over again, the cost would have been added to the initial trial costs and not to the appeal costs. But it seems that I get the blame for this when I should not.

I believe since you have looked more into the case and what was being asked of you to be done for the trial, you have seen and noticed the reason(s) and even further to that why we wanted this addressed before the trial as it is real points that should have been dealt with at the trial, you or any person can see that parts of the respondents case inclusive of the jurisdiction of the law is imposed wrong, there file is totally incorrect and the timelines are not correspondent to their articles, sort after many other important parts which was never dealt with correctly, as for fact the police was allowed to pass such evidence off at the trial as being correct when clearly it was not correct.

Just listed are many important facts of this case, which should and will aid in myself to get a fair trial," which I never got at trial.

Seventh question is;

Could I also be forwarded the trial cost invoice for legal aid so I can see it please?
