They gave me an eating disorder by this stage;

After speaking to many friends and family who have witnessed the ongoings of torture committed by 117, 111 and 113 Burncroft avenue inclusive of Carron Dunno 000 or either having it explained to them with the evidence I had present and provided, the general return of reply of them decent people, was to approach my housing officer and ask him or her for a fresh start, by way of adding points for an emergency move to a new safe home, I chose to take the good advice given to me at the time and to then make a phone call to them and this is what I did, this can be proved by my mothers phone bill and corresponding emails also the council officials own correspondent that I claimed in a subject access request being granted to me from, when I requested it prior.

To me somebody had got themselves into trouble and for once it had not been me.

I could no longer do a lot with my company, so it started to suffer a lot and I lost load's of contracts, I definitely had started to get fed up with trying so hard, this was due to the bail conditions that I had got imposed too, I felt sick in knowing that I had done nothing wrong, so I understood that by me actually being put under these conditions, that they had changed my life for the worst, I assume it would be fair for me to say, that this moment in my life changed everything in it a lot and this was at no fault of my own, it was because of them.
