

As
for the date of the 09/02/2017 as stated before until we have had all dates
and
times and body of
complaints and the subject access request, I still do not feel
it is justified my son has a meeting as he will be
walking into a meeting only
with very limited information, and due to his health which is being
caused by
his
neighbours and
Enfield Council doing nothing I feel my son is only being setup due to
issues
and the colour of my son's
skin. And this is why no one from
Enfield
council has ever
taken a report from him about what has been ongoing form a
long time ago.
We
want to clear this up as much as you do, but it seems Enfield Council is
not
fulfilling what we have asked
for in order to be able to do this.

Enfield council claim that We received a report that on 7th February 2017
you approached the leaseholder of 117 Burncroft Avenue and his plumber
outside the block as they were attempting to resolve the problem causing
low water pressure in the flat. You said to the leaseholder that there were
problems between you and his tenants but did not give any specific
details. The leaseholder explained to you that his tenants were
experiencing low water pressure in the flat and you said to him 'you will
not solve the problem as I am restricting their water supply'. The
leaseholder later knocked on your door and asked whether you would
increase the water pressure and you stated 'I cannot do anything at the
