

minute and I will just see if I can get some answers for you

Simon; thank you

Police Officer; ok then

Simon; they should have just dropped it under the trespass and I would have just forgot about the corruption, they never proved trespass in the buildings they had another chances

Police Officer; who is the person dealing with your case

Simon; well Steven Elsmore is the developer of the application he has done that under the order of

Police Officer; no, no, from a police perspective

Simon; yes Steven Elermore who is a pc and he has been told to create the application develop it under Sir Holgon Hou's Bernard the commissioner of England and Wales which is Sir Holgon Howl, his told him to do it, he has told Jane Johnson to tell Jane to tell her officers to do it, Jane has told her officers to do it then Steve Elsmore created it then Steve Elsmore went to the civic centre and he spoke to Steve Elise and Steve Elis signed the forged paper work that Steve Elsmore created and they put the application against me I went to court under the grounds that trespass had not been proved under none of the incidents sighted in the application and basically I technically I won the case of what the applicant, what the respondent had put against me, Hum and when I walked out and went back home some how it got advertised in the news paper that I was found guilty for the organisation of illegal raves I had not even been arrested for some think that was illegal so I was quite shocked that this had happened to me and then basically at the end of it Steve Elsmore used a loud of cad paper work his used hum sergeant Chile's Miles his used Inspector Sergeant Skinner paper work loads of them a Doglus Skinner the list to them is endless to them and basically they forged all of the time stamps and added cads in because all the call centre like the 999 call centre time stamps say cad five hundred happens every day and that has a time stamp of ten 0 clock cad five hundred and twenty five can not have a time stamp of nine 0 clock earlier than the five hundred this happens continuously thought my paper work and then what made it even worse than that is that there is an inspector Hamill inspector Hamill actually went out side of the site of Progress he made ten he went there ten different times because his grid reference number has been put in there and he made ten different calls to 999 used his own personal mobile number and basically he created the cad outside now you can see if you look at the time stamps to the cads and you actually look at the x to y location correspondents you can see
