

places in central London and placed on a curfew from 10 pm. Mr Cordell informed that he followed these restrictions imposed on him for about a year and returned to Court and won the case. Mr Cordell then went on to talk about Sally Gillcrest, the legal executive for the metropolitan police who he alleged set him up for a million pounds and brought on an ASBO against him, which ended with him being imposed on a nine year curfew. Mr Cordell stated that Sally Gillcrest in conjunction with the borough commander Jane Johnson and the community officer started spreading rumours that he was "*suffering from herpes and has hurt a woman*" which the neighbours in his block became aware of and started sending him messages addressing him as "*you black boy*". Mr Cordell implied that Sally Gillcrest colluded with the neighbours as she had a vested interest in getting him out of this country. He stated that the neighbours above him deliberately bang on his ceiling and have also subject him to other forms of harassment since 2014. Mr Cordell implied that the neighbours were responsible for the miscarriage suffered by his then girlfriend and also held them responsible for the separation from his previous girlfriends. He further stated that between 2014 and 2016, his mother has made numerous complaints to the council regarding the harassment he has been subject to and he has won a criminal case against his neighbours

- 4.5 Mr Cordell then went on to elaborate his grievance against Lemmi, the officer who works for the Enfield local authority. He claimed that he received an email from Lemmi threatening that he would obtain a possession order against him and asking him to attend a meeting. He then stated that the ASBO that was served against him was not valid due to lack of signature. Therefore Lemmi built a false case against him by using "*lower grade cases*" to pursue a possession order and subsequently an injunction order, by falsifying statements and using "*statements from dead cases*". According to Mr Cordell this was declared as invalid by a Judge, however Lemmi has continued to produce false orders against him in the way of a second injunction, which he claimed has never been served on him. Mr Cordell described this as "*targeted malice*" by Lemmi as he has used the injunction as a smoke screen to cover up the ASBO by providing false statements and witnesses.
- 4.6 In addition, Mr Cordell also described a number of grandiose beliefs, stating that he was building a constitution on CIC, which he explained to be Community Interest Company. He also spoke of a number of other businesses. He was keen to show us the various documents, emails and recordings he has accrued as evidence to support his case.
