Good afternoon

I have chased up London Borough of Enfield as to what steps if any they have taken to restore the matter and will revert to you once they reply. We are on court record so should be notified by the Court Direct of any developments.

In the interim, it may be advisable to set up a royal mail redirection service and have post sent elsewhere. Not foolproof but worth considering.

Please do note that I am not a full time member of staff and am contracted to provide services to the Firm and so may not be dealing with my cases every single working day. If you are ever anxious about anything please give the office a ring and speak to Sean who is normally in.

Please try not to worry.

Kind Regards

Dear Ronak Ahmed

Today I called Enfield Country Court to make sure FOOED222 had been struck out for my son Simon Cordell, but what I have been told is Enfield Council has reopened it, the person at the court would give me no other information as I am not listed on the court record that I can be told anything.
